H — 1) Please see para 2 under "Industries & Commerce" on page 16 of the Tour Notes in the file. The question of a free grant has not been referred to in the Tour Notes but a grant of a loan to the petr. is suggested. to enable him to expand the business by obtaining on supply suitable machinery & wood.

18.7.27 19/7

1) There is no reference in the Tour notes to a free grant of Rs 500/- to Mr Jabbar for the Burton factory. As D.C. reports that Mr Jabbar is not in a position to offer any security for the loan, the question for consideration now is whether Rs 500/- as a loan or a grant should be made to him. My own impression is that the Burton factory is not doing much business, and is not likely to do much and it is not properly managed. The Dist. Supt may perhaps be asked to give his opinion after inspecting the factory
